## EDUCATION

### BSC.I.T

Shailendra Education Society's Arts, Commerce & Science College, Mumbai

07/2021 - 04/2024

### HSC

BNES jr. College of Arts, Commerce & Science

07/2019 - 05/2021

## PROJECTS

### FITNESS PRO

- A Website helps in building physical health with unique exercises.

### Simon game

- Built a JavaScript-based memory game using jQuery, enhancing logic and UX design skills.
- which involves replicating increasingly complex sequences of lights and sounds.

### Drum kit

- The Drum Kit provides a virtual drum kit with various drum types, allowing players to create dynamic beats and rhythms.
- The game features appealing graphics and options for solo play or competition, catering to drumming enthusiasts of all skill levels.

### Notes Manager

- Developed a web-based Notes Manager application using React.js designed to help users efficiently create, organize, and save personal notes.
- The application features an intuitive and responsive user interface, ensuring seamless access across devices.
